There is a Viet Nam veteran in the front row. There is a man in the back of the room old enough to be your father. And there you are behind the podium, a fresh and dewey 22, explaining For Whom the Bell Tolls.

Actually, I'm not sure about graduate assistants. It's unnerving to have your teacher from one class sitting next to you in another.

OUR CHURCH INVITATION

WE SEND you the most cordial greetings of our Church and a hearty invitation to its services and privileges.

This Church was organized for fellowship in the worship of our Lord Jesus Christ; for mutual helpfulness in the joys and sorrows, the labors and aspirations of our hearts and homes; for the saving of men and the regeneration of society.

Your presence and your prayers will promote our success.

Thank you for your attention. You have been a good audience and a better subject. We hope you agree with our portrayal of your (and our) school. If the staff has pleased you, we are pleased. This has been a long year and a trying one at times. It has not always been a good year, but we have learned—from all of you and sometimes in spite of some of you.

We have finally finished, only through the efforts of many good people. With the assistance of the students and administrative personnel, we have made this a success. Thank you all. Keep this edition of THE CHALLENGE to remind yourself of the school year 1969-70. Peace and thank you.
